

After cutting open up shell pieces like the diagram to the right.

With right sides together sew at dotted lines at shoulders and sides.

Turn both the hood and shell right sides out.

Pin the hood to the shell placing right sides together and sew.

Recommended fabrics: fleece or felt

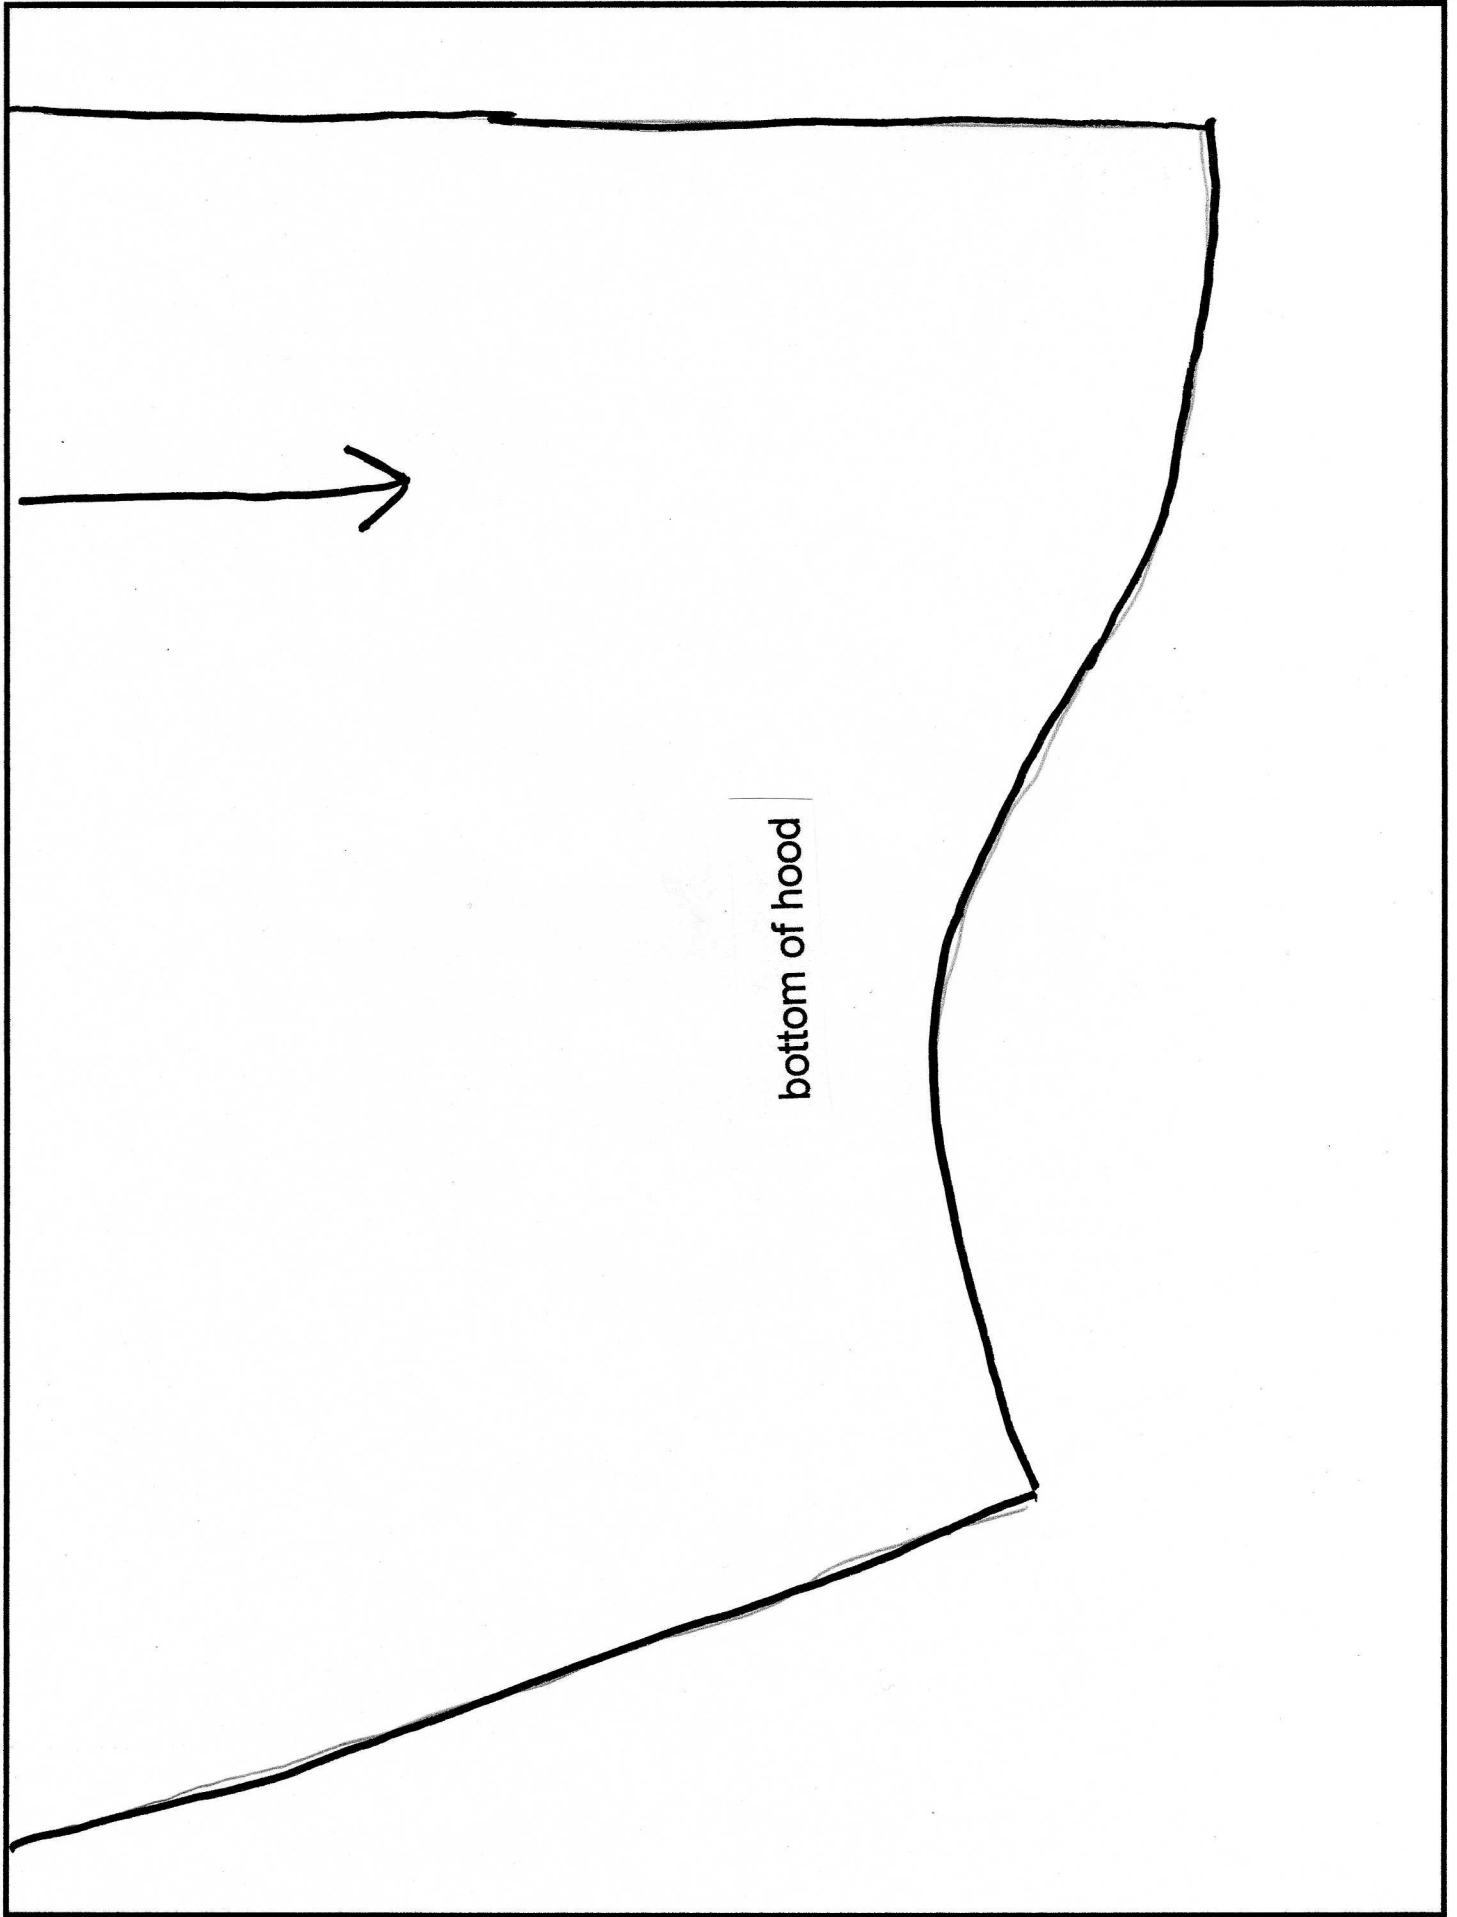

top of hood

fold fabric in half right sides facing in and cut

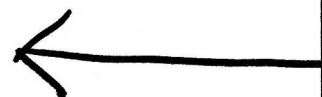

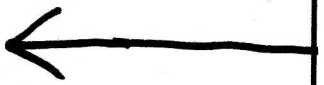

bottom of hood

fold fabric and align this side on fold before cutting

top

cut two of these

bottom
